

MIXOLOGY CHECKING ID

Quick Reference Guide

Serving our customers by checking IDs

Starbucks policy requires partners to check the ID of any customer wishing to purchase or consume alcohol who appear under the age of 40.

- Approved ID must be checked and verified before tender is accepted
- When an alcoholic beverage is ordered the **Please Check ID** POS prompt will appear and the customer must have been born on or before the date displayed on the prompt
- Acceptable Forms of ID:
 - Driver's License, State ID Card or Instruction Permit (U.S. or Canada)
 - U.S. Military Identification Card
 - Official passport issued by any nation
 - Washington State Tribal Enrollment Card
 - U.S. Coast Guard Merchant Marine ID Card
- Partners may not complete the sale of alcohol for any customer who:
 - is under age 21
 - is unable to provide ID, if requested
 - appears visibly intoxicated or otherwise under the influence of alcohol
