- QSR Heavy Duty Multi-Purpose Sink Detergent

- ClickSan® Disinfectant/Sanitizer / KAY-5® Sanitizer
- Blue Scrub Pad

SDS:

A Safety Data Sheet for QSR Heavy Duty Multi-Purpose Sink Detergent, ClickSan® Disinfectant/Sanitizer and KAY-5® Sanitizer can be found in the store and on the Partner Hub.

01 – Relocate juicer to the BOH

02 – Disassemble

- Remove the cup and cone from the juicer by aligning the dimples/ indentations and pulling up.

When the handle is in the up position, be cautious as it does not lock.

03 – Wash, rinse, sanitize

- Using the 3-compartment sink, wash, rinse and sanitize all components of the juicer.
- If needed, use the blue scrub pad to remove dried residue.

01 Relocate

02 Disassemble

04 – Allow to air dry, then reassemble juicer
