SDS:

A Safety Data Sheet for QSR Heavy Duty Multi-Purpose Sink Detergent, ClickSan® Disinfectant/Sanitizer and KAY-5® Sanitizer can be found in the store and on the Partner Hub.

01 – Remove plastic fins

- Using a flat surface, stand the pour spout on the vent tube and apply pressure down on the fins.

02 – Rinse the pour spout and fins

- Using clean water, rinse the pour spout and fins to remove any residual.

02 – Brush the interior surfaces

- Use the sink detergent and small stainless steel pump cleaning brush.
- Ensure that the brush is used on both the pour spout and fins.

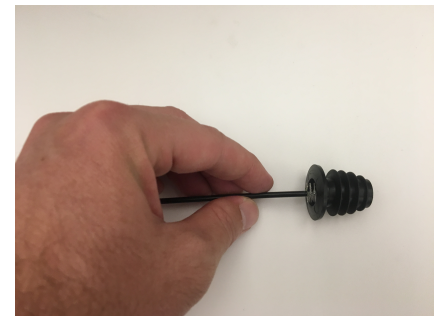

03 – Wash, rinse, sanitize

- Using the 3-compartment method.
- DO NOT PLACE IN THE DISHWASHING.

04 – Air dry

01 Remove the plastic fins

02 Brush Interior Surfaces
